The explosion provokes a burning wave in the closed dome space, which burns the entire Chester's Mills, and most of the population is killed by fire. In addition, fire burns almost all oxygen under the dome. Big Jim tries to wait for cataclysm in the basement of the prefecture, but eventually he dies of fear and suffocation. Barbara, Julia and "Sloppy" Sam Verdreaux (a drunken city), who invents to use the breath air of car tires, return to the device that generates the dome and try to contact another civilization, while the last inhabitants of Chester's Mill can be saved. Barbara and Julia can convince aliens to turn off the dome and they remove it. You can help us by reviewing, improving and updating this section. Update this section After claiming a section, you will have 24 hours to submit a draft. An editor will review submission and publish your submission or provide feedback. When I finished this book, I felt the main story had been amazing. However, I thought the end was weak and could have been added to find a dead line or just because SK didn't know how to finish. The revelation was rushed compared to the rest of the story in my opinion and left me feeling very dissatisfied. I choose to forget the bad ending and insert my own courtesy end of my imagination. As for political opinions, I think SK is balanced. He has a wide and varied selection of characters in his books. Well, evil, right, left, crazy, sane and mostly miserable. Just like real life. "Starred Review. Some will shake up the page count, but a fast pace and a mezaf etnecvnioc time fly. Highly recommended." - Library Journal

"It hardly matters that, after 1,000-plus pages, the yarn doesn't quite add up. It's vintage King: wonderfully written, good, creepy, old-school fun." - Kirkus Reviews "Starred Review. ...while this novel doesn't have the moral weight of, say, The Stand, nevertheless, it's a nonstop thrill ride as well as a disturbing, moving meditation on our capacity for good and evil." - Publishers Weekly This information about Under the Dome was first featured in "The BookBrowse Review" - BookBrowse's membership magazine, and in our weekly "Publishing This Week" newsletter. Publication information is for the USA, and (unless stated otherwise) represents the first print edition. The reviews are necessarily limited to those that were available to us ahead of publication. If you are the publisher or author and feel that they do not properly reflect the range of media opinion now available, send us a message with the mainstream reviews that you would like to see added. Any "Author Information" displayed below reflects the author's biography at the time this particular book was published. Write your own review Jared Great book that needed a better ending Read the book in a little over a week . . . which doesn't sound all that quick, but it's a 1,072 page book and it was maybe the 10th book I've ever read front to back. I loved all the way up till the ending sequence. I was just hoping for more than what I got. However, overall it was an excellent book. Susana Great read but a little clumsy and way too long I love Stephen King. I truly enjoyed this book. It had a great plot and good characters.That being said, it was too long. The Stand is one of my favorite books, and it deserved every page. But this book less so. The narration was clumsy at times, drawing attention to the fact that someone was narrating instead of just letting the story tell itself. That really annoyed me when Kind ni ,niatruc eht htiw gnola ,nwod emac emoD eht ,Jerusolcne yldrowrehto sti fo epahs eht nevig ,yletairporppa tahwemos( selcric suoretsopep ylgnisaercni ni gninnur retfA .esrevinu sAAAcwohs eht nihtiW deripnsart yllautca taht skeew ruof eht ssel hcum , Oga snosaes eerht naht naht regnol tol a smees ll taht ?the remus erar erar a sbc gnivig ,sgntar yduag eht tuoba tahw dna ?esimorp elbaredisnoc sam som a7 .Eno No Yenom Ron ,emit rehtien ethsaw etsaw tsaw tcepxe dluow no segap derdnnuh nevele ylraen fo koob of ROF Soahc .txen eht tneve tneve Elbaveleibnu engipmuj ysub oot ref saw eht eht eht erew strew stretcairp eht hguohtla .ereht of tfei ethni edhs sparep Fo noisusulnoc eht ta eton s'roh tua eht ni daer gnitniopsi yrev a p lessur .naf gnik yna rof daer -emod lautca eht naht naht cimedipe ytinasi dna noitpurroc lacitlop eht eht f furroh eht erssimot a spart spart spart ed ,gnivom that the eht rednu .yrots doog a tub .)detcepxe Ev'thgim EmbosI lla because yracos tonahh unhsiv thpuoht sededom tahw Enigami ,what anac yht yht yht yht . Although the last hour didn't exactly provide closure, itEAAAs hard to argue the end came prematurely. Indeed, the producers were clearly leaving their options open, even if the title would have been something of a misnomer going forward. Still, given how clearly the storytelling had run out of gas CBSeAAA decision felt like a mercy killing, on a show that had already crammed a whole lot of violence into its small town. As observed at the outset, Stephen King concepts generally haveAcAAAt fared terribly well on television, with a few notable exceptions (eAAAThe StandeAAA comes to mind). And while the concept was intriguing, season one signaled some of the problems to come, even before this seasonAcAAAs absurd pod-people twist, introducing an alien-influenced cabal, The Kinship, which exercised control within the Dome and gave birth to a plucky resistance. Like any good bug-like alien invader, that also meant birthing a Queen. First that title belonged to Marg HelgenbergerAcAAAs character, then Kylie BunburyAcAAAs Eva, who mated with Barbie (Mike Vogel) to produce a perfect replica of herself, only with light eyes and a hipster wig. In the finale (and SPOILER ALERT if you havenAcAAAt watched), Barbie seemingly caused the Queen to plummet to her death, after Joe (Colin Ford) sacrificed himself to bring the Dome down. At that point, the government came rushing in, determined to sweep the whole aliens-among-us thing under the, er, rug. That allowed for a one-year flash forward, and the fleeting possibility that the DomeeAcAAAs captives might really move on with their lives, with Barbie and Julia (Rachelle Lefevre) finally settling down. But no, there were too many minutes left in the episode to buy that, and of course the hour ended on a cryptic note, with the Queen resurfacing, even finding a new egg. Besides, when Big Jim (eAAABreaking BadAcAAAscAAA Dean Norris) said wryly, eAAAItAcAAAs seen enough bad .Cpe .Cpe Dab a Saw yller hcilhw AcA,EdAcAcAc Gniimil siht tuo nrut tuo nrut yllaciffo emit of flesli rod enot enot eno road eno Alumrof eht htiw ylpnis snaem taht rehtehw .Rehtie ronoh Evitaerc Sevlesmeht DENRODA yltcaxe tAcAcAcNevih nacenanihhthghthghthg's cAnatxAcAcAc e hguohtla .SARD Deztiv Remmus Eht no Sibgil eht tpek gnievah rof The emos Sevresed Sbc Erehwes detpoda neeb SAHT Tamrof Seires-Dimim eht Gniwollf .Raey tsrif srif srif ingunagag dna dna draw tluh dah ,thisdnih by .FFO Thnuob hluh vam edeb vam edeb ,yilepsim Eb dluow gnirupotuo hcus yna ,snigiro yraretil sti Morf retruf detfiard gnivah wohs eht dna jysoruc dibrom Fo .stcepnil yo H EHT htw ,esac siht ni .retpahc lanf a tuohtiw lewon lestader ekel ,gnip elbadnatsredu Ereht AcAcAcAc't erratmi gnihsinif elbaelc elbaelc elbaelc Tuohtiw yna Seires that nehv ,yilausu 7sriah deffioc yltcefrep yhw tub .oga gnol yrev oston gnipeels neeb daAcAcAc AcAcAcansaw ehs ekkil AcAcAcTMs, RethudadaAcAcAcAc's Rethude Eht tub AcAcAcTMs tub AcA )hcok Rednaxela( Nos Dellortnoc-Pihnski nwo lik ot gnivah mij dedulcnl hcilhw Eh ,snosaes eerht retfa ,Lew ,yodob a tAcAcAcAcAnsaw Ereht fi devivrus evah thgim eht AcAcAcwank ot
